

PUTTING HISTORY IN PERSPECTIVE

Timeline activity

I am learning to: put historical events in order

Cut out the following events and place them in order on the timeline above.
Can you space them to scale to make the timeline historically accurate?

Te Tiriti o Waitangi, 1840	Captain James Cook's arrival in New Zealand, 1769	The year you were born	When your parents were born	When your grandparents were born
World War Two, 1939-1945	World War One, 1914-1918	First man on the moon, 1969	New Zealand's first television broadcast 1960	Oldest dinosaur: Prosauropods from Madagascar, 230 million years ago

Success Criteria:

-  I can put historical events in order
-  I can space events accurately
-  I show an understanding of historical events
